

# Kelsey's Southern GALAX LEAVES

AND  
LEUCOTHOE SPRAYS (Green,)

For Fall and Winter, 1898-'99.

**BRILLIANT GREEN AND BRONZE.**

INTRODUCED BY HARLAN P. KELSEY.

They are now too well known to need much description. For use with violets the small green leaves have found enormous demand. GALAX LEAVES are to be seen at all the best FLORAL Decorations, particularly at Funerals, Weddings and Parties.

To supply the demand both for the Holidays and summer months, I keep a supply in Cold Storage, packed in original cases, as below and can ship promptly from Boston on order by mail or wire. I reserve right to ship from either Boston or N. C., unless ordered to contrary.

## PRICES.

GALAX, large or small, either color, per thousand, \$1.00; less than case, \$1.25 per thousand. Special prices on large orders,

LEUCOTHOE SPRAYS, per hundred, \$1.00; per thousand, \$8.00.

Original Cases are packed as follows:

Case A.	5,000 Galax, assorted sizes and colors.	Case I.	5,000 Galax, small Green.
